Date: 24th October 2025

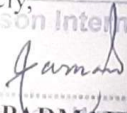

To Whom It May Concern,

This is to certify that **Mr. L.L.D Sewinda**, bearing National Identity Card No. **200102800279**, was employed at **Samson International PLC** from **4th August 2025** to **24th October 2025**. During the period of employment, Mr. L.L.D Sewinda served in the capacity of **Electrical Engineering Intern** in the **Production Department**. He was responsible for duties including, but not limited to,

- **Real-Time Machine Monitoring:**
Designed a Things Board IoT system using ESP32 for machines E-69, E-103, and E-94, enabling live data visualization on web and mobile access through the "Things board Live" application.
- **Hardware Integration & Optimization:**
Built relay and proximity sensor-based circuits, designed PCBs, configured Wi-Fi routers, and did troubleshooting and real-world testing.
- **Automated Ring Counting System:**
Developed a YOLOv8-based machine learning model for automatic jar sealing ring counting, improving efficiency by about 15-20%.

We thank Mr. L.L.D Sewinda for his services and wish his all the very best in his future endeavors.

Sincerely,

U.H.N PADMAKUMARI
